About Rayat Shikshan Sanstha

Rayat Shikshan Sanstha is an Indian educational organisation founded by karmveer Bhaurao Patil in 1919. Its aim was to provide education to students who, due to caste, religion or economic status, had not previously had the opportunity. The organisation has its headquarters in Satara, Maharashtra State. Today the Sanstha has more than 700 institutions comprising of Colleges, Schools, Hostels, Ashramshalas and ancillary units operating across Maharashtra.

About College :

S. M. Joshi College, Hadapsar is run by the Rayat Shikshan Sanstha, Satara, which is established with the aim of imparting education to the downtrodden masses. The college has UG and PG courses. It serves multi-dimensionally in the field of higher education. College offers courses in Arts, Commerce and Science, as well as Computer and allied courses. It also offers post graduate courses. The college takes special efforts to have a research culture, consultancy and extension activities. Overall, the college maintains consistent excellent record in academic, co-curricular, sports, cultural & community services front. Also this college is going to start Invention, Innovation and Incubation center for entrepreneurship development. On this basis, it has been accredited at 'A' grade by NAAC. For more information about S. M. Joshi College visit our website <http://smjoshicollege.com>

Hon. Sharad Pawar Saheb, President of the Sanstha, has always been keen on providing skill education to the students. Hon. Dr. Anil Patil Saheb, Chairman of the Sanstha, always motivates to go for skill-based education. The Centre for Invention, Innovation, and Incubation (CIII) was the first initiative in that direction and B.Voc. Courses is the next firm step in that direction. Hon. Prin. Dr. Bhausaheb Karale, Secretary of the Sanstha is very instrumental in starting all the skill-based courses. Hon. Prin. Dr. Vijaysingh Sawant Saheb, Joint Secretary of the Sanstha always encourages us to introduce more and more skill-oriented courses. These courses are an outcome of the support and encouragement of all the Sanstha officials.

B.Voc Degree Courses

1. 'Beauty and Wellness'

This programme is designed to produce a skilled manpower so that wide variety of options in Fashion Designing and Beauty Therapy would be available and it will improve the opportunities for the unemployed youths in the country in both the private and public sectors.

2. Fashion Technology

With the spurt in fashion industry all over the globe, fashion designing has emerged as a very prolific and sought-for field of study. The course aims at delivering the necessary skills to the students and helps them to become proactive to harvest the advantage of this fast growing but extremely competitive profession. It provides an unfathomable scope for lucrative career options as Fashion Designer, Merchandisers, Special Event Organizers, Pattern Makers, Apparel Production Managers, Fashion Forecasters, Personal Stylists, Fashion Consultants, Fashion coordinators, Boutique Owners and Instructors.

•Objectives of B.Voc courses are:

1. To provide judicious mix of skills relating to a profession and appropriate content of General Education.
2. To ensure that the students have adequate knowledge and skills, so that they are work ready at each exit point of the programme.
3. To provide flexibility to the students by means of pre-defined entry and multiple exit points.
4. To integrate NSQF within the undergraduate level of higher education in order to enhance employability of the graduates and meet industry requirements. Such graduates apart from meeting the needs of local and national industry are also expected to be equipped to become part of the global workforce.
5. To provide vertical mobility to students coming out of 10+2 with vocational subjects.

•Eligibility:

- 1) Those who have completed XII Arts, Commerce, Science or equivalent
- 2) No age limit

•Duration:

Award	Duration	Corresponding NSQF level
Diploma	1 year	5
Advanced Diploma	2 year	6
B.Voc. Degree	3 year	7

Programme Outcomes:

1. Vocational Education is education that prepares the students for specific trades, crafts and careers at various levels and scopes.
2. It trains the students from a trade/ craft, technician or professional position in R & D organizations. The Program Outcomes are the skills and knowledge which the students have at each exit level/ at the time of graduation. These outcomes are generic and are common to all exit levels mentioned in the programme structure.
3. Students with vocational training can find work in several state and central government organizations, non-profit groups, academic institutions and in private sectors.
4. This programme prepares students for specific types of occupations and frequently for direct entry into the labour market.
5. After completion of this programme students will have enough competences, to get benefit from labour market opportunities.
